

***INO CPM - TT* Crimping Machines**

Manufactured by one of Europe's leading suppliers of crimp applicator tooling and bench presses. The ***INO CPM-TT*** press represents one of the most cost effective, quality bench presses available. Rated at two tonnes crimping force its unique design has a small machine footprint yet has ample applicator mounting space with good access for a wide variety of tools. In addition the machine can be upgraded with

- **Crimp Force Analyser** *INO BB-07* or *INO TT-1000*
- **Wire Stripping Module** *INO SC-11 / INO SC-12 / INO SC-19*
- **Bad Crimp Cutter** *INO SKS-11* with *INO TT-1000*
- **Carrier Strip Cutter** *INO KSS*

INO CPM - TT

INO CPM - TT with Stripper SC-11

Specification

		<i>INO CPM - TT</i>		
Cross Sections Range	:	up to 6,0 mm ²		
Force of Pressure	:	20 kN / 0,75 kW		
Standard Stroke	:	40 mm		
Dimensions, mm	:	ca. 200 x 300 x 580 mm		
Weight	:	41 kg		
Part Number	:	55.10.00	<i>INO CPM-TT-380</i>	Bench-top 3x380 V
		55.11.00	<i>INO CPM-TT-220</i>	Bench-top 220 V
		55.11.00-A	<i>INO CPM-TT-220</i>	Automatic 220 V

		<i>INO SC - 11</i>	<i>INO SC - 12</i>	<i>INO SC - 19</i>
Cross Sections Range	:	0,2 - 3,0 mm ²	0,2 - 6,0 mm ²	0,2 - 2,5 mm ²
Wire Insulation Diameter	:	approx. max. 4,5 mm	approx. max. 5,5 mm	approx. max. 5,5 mm
Sheat Strip Length	:	min. 25 mm	min. 25 mm	min. 20 mm
Strip Length	:	2 - 12 mm	2 - 12 mm	2 - 12 mm
